MLS® #100439706

\$210,000

3 Bedroom, 1.00 Bathroom, 1,231 sqft

Single Family on 0.54 Acres

Not In Subdivision, Supply, NC

Super cute stick-built house located in Supply, sitting on over a half-acre. This home has been owned by the same owner since its conception back in the late 50's early 60's. Many updates along the years have been made including staying on top of maintenance. The bathroom was updated around 2010, the roof coverings were replaced around 2018, the HVAC is about ten years old, water heater was replaced in 2023 and the fridge has been replaced. The living room has the original wood floors, and they are stunning. Heart pine floors are in the back rooms and seem to be under the vinyl.

Built in 1960
