Receive up to \$12,500 in free upgrades with a new contract.

Proposed Construction - Welcome to our Georgetown model, where endless possibilities await you! This remarkable home features a first-floor owner suite with spacious closets, providing the perfect retreat. The open floor plan seamlessly connects the two-story family room to the kitchen, creating a welcoming space for gatherings and entertaining. Working from home is made easy with the convenient first-floor office, allowing you to balance productivity and comfort. The second floor offers a range of options, including the standard three bedrooms or the option to transform one into a loft, providing flexible living space or a home office. But that's not all! You can take advantage of the space over the family room and turn it into a game room, offering endless entertainment opportunities. Alternatively, you have the option to add an additional guest suite over the garage, ensuring privacy and comfort for your guests. And let's not forget the full basement, offering even more potential for customization and expansion. The Georgetown model truly allows you to create a home that reflects your unique style and needs. Don't miss out on this extraordinary opportunity. Contact us today to explore the Georgetown model and discover the endless possibilities it offers for your dream home. For additional information on our models and different communities visit our Model Home located at 22502 John J.
