The home has seen a number of thoughtful updates over the years, starting with a stainless steel refrigerator added in 2020. In 2023, enhancements included upper-level hardwood flooring, a new kitchen pantry, an expanded kitchen island, new dishwasher, microwave, stove, air conditioner, and the installation of an outdoor playhouse and swing set. In 2024, additional updates brought new crown molding and chair railing throughout as well as a new washer and dryer. Most recently, in 2025, the entire interior was freshly painted. The lower level was also finished in recent years to include a full bath, offering even more livable space to suit your lifestyle.
