MOYAONE RESERVE, Accokeek, MD

Nestled in the highly sought-after Moyaone Reserve, this one-of-a-kind, artisan crafted brick home sits on 5 acre at the end of a road. This house offers an opportunity to live in this woodland sanctuary while still enjoying Washington D.C. with a short drive. This unique home was lovingly built using natural materials sourced from the surrounding forest. It boasts four bedrooms, 2.5 bathrooms, a finished walk-out basement, a sunroom with a jacuzzi with a panoramic view of the forest, a sauna, a two-car garage, and plenty of storage space including a large attic and an oversized pantry. The woodland property includes a paved driveway, hiking trails and a custom built playhouse with a trampoline. This house was cared for with an attention to detail and the interior has an array of custom wooden features including doors and wall panels made from trees that were harvested on the property. The roof and the gutters recently updated (2024) with a 50-year warranty, the wood fireplace is in good condition, the windows are all new, and each room has ceiling light. There is Central AC/heat with heat pump/oil combination, hardwood floor, motion detection lights around the house, and a large den in the basement. There is a large shed outside with a sun kiln for wood storage. The owners have created and maintained trails (see trail mapping pictures) with wooden bridges and stairs along the creek and have placed wooden benches around the property so you can relax and take in the beauty of the

reserve. This hidden gem is more than a home, it’s a living work of art.

Located along the Potomac river, residents enjoy access to a community pool, a playground, hiking trails, and more. The nearby historical Piscataway Park is a pristine National Park with opportunities to fish, walk around a colonial farm, or gaze at George Washington's Mount Vernon estate located directly across the river. Living in the Moyaone Reserve means more than just owning a charming home—it’s about being part of a thriving community where residents gather regularly celebrate throughout the year at the community center.

You will want to walk around the property when you visit this unique house where you will most likely encounter wildlife such as deer, wild turkeys, ospreys, and bald eagles. Nearby attractions include the Fort Washington Park, the Ghost Fleet of the Potomac, and Port Tobacco.
