EAST KENSINGTON, Philadelphia, PA

Introducing La Marceline a boutique apartment residence where design meets purpose. Named for the "young female warrior," La Marceline is a symbol of beauty and sustainability, thoughtfully designed to combat climate change through low-impact materials and energy-efficient systems. Prominently positioned on the main corridor in vibrant Fishtown, La Marceline offers a unique blend of European-inspired elegance and sustainable living. Thermal comfort is prioritized through high-performance insulation and energy-efficient windows that help maintain consistent indoor temperatures year-round. High-efficiency HVAC systems including energy recovery ventilators (ERVs), bring in fresh air while capturing/reusing heat from outgoing air, maintaining indoor air quality without wasting energy. Together, these measures decrease the building's carbon footprint, lower utility bills, and contribute to a more affordable living experience. Each of the 16 residences, accessed via a centrally located elevator, is designed to maximize natural light and airflow, promoting a healthy and comfortable living environment. A variety of 1-2 bedroom floor plans are available all featuring high ceilings, top of the line SMEG fridges, unique brushed stainless steel countertops, distinctive custom finishes as well as in-unit laundry. The LaMarceline community offers a lush landscaped courtyard, co-working/lounge space, package room, designated storage units as well as a secure

bike room. A stones through from sought after restaurants/bars/coffee shops including PICNIC, Zig Zag BBQ, Philadelphia Brewing Company, Forin, Fiore, Vessel Coffee, Post Haste and more...enjoy a walkable lifestyle as you are only a short 10 min walk to both the Berks and the York/Dauphin subway stations - which take you right into center city! Privately owned and managed (this makes a difference in our opinion!) - inquire for details.
