SNOWDEN BRIDGE, Stephenson, VA

Welcome to your dream home in the highly desirable Snowden Bridge community, where comfort, style, and thoughtful upgrades come together beautifully. Tucked at the end of a quiet cul-de-sac this home offers the rare combination of privacy and neighborly charm. Step inside and immediately feel the warmth of custom details and modern finishes. The main level is graced with durable luxury vinyl plank flooring (2022) and elevated by designer touches like board and batten feature walls that add character without sacrificing elegance. The heart of the home, the kitchen, was fully remodeled in 2022 with granite countertops, a striking copper sink, a walnut butcher block island, and freshly updated cabinetry with soft-close drawers. Stainless steel appliances were all upgraded in 2021, making this kitchen as functional as it is stylish. From here, open sightlines connect you to the family room and dining area, while sliding doors invite you onto the expansive Trex deck—screened in for year-round comfort and upgraded in 2024 with added stairs for easy backyard access. This is a home designed for gatherings, whether it's morning coffee, an evening glass of wine, or hosting friends and family.

Upstairs, retreat to the spacious primary suite, which feels like a private getaway with its tray ceiling, dual walk-in closets, and spa-like bath complete with a soaking tub and shower. Three additional bedrooms, a double-sink hall bath, and the convenience of upstairs laundry

complete this levelâ€”making everyday living a breeze.

The finished walk-out basement extends the living space with a large rec room, a fifth bedroom, a full bath, and direct access to a backyard patio. A generous unfinished storage area offers plenty of space for organization and seasonal belongings.

Energy-efficient living is built into this home. Owned solar panels (2021) provide such abundant energy that the sellers have never paid an electric bill. A whole-house humidifier, water softener, and upgraded recessed lighting throughout further enhance comfort and convenience. The garage is equally ready-to-go with its own refrigerator, wall-mounted storage, and tool/bike racks. A vinyl fence (2023) secures the backyard, making it a perfect spot for relaxation, pets, or play.

The Snowden Bridge community is known for its vibrant amenities and family-friendly atmosphere. Enjoy miles of walking trails, a dog park, a resort-style pool, playgrounds, indoor sports court, and even on-site daycare, all just minutes from your doorstep.

More than just a house, this is a home where every detail has been thought of, every upgrade carefully chosen, and every inch designed for living well. Come experience it for yourselfâ€”and discover why this rare cul-de-sac gem is ready to welcome you home.

Make sure to ask for a full list of upgrades, there were just too many to list.
